Good morning Students, it gives me immense pleasure to start this auspicious occasion by heartily welcoming everybody to the bug hunting competition.

Rules…

- This is an Individual Event.

- This event consists of 3 programs.

- Given programs should be debugged and fixed within 60 minutes by candidates.

- The one who completes first with the correct program will be the winner.

- The Team will be disqualified if there is any malpractice noticed.

- Mobile phones and internet connections are prohibited during the event.
